OUR PHILOSOPHY

As our customer you are our priority, with one top quality frame marquee we only look after you. The bookings diary is on a first come first served basis, once we have a hire for an event we do not take other bookings at the same time.

This ensures that our service is first class and you get our undivided attention.

THE MARQUEE

Choosing a marquee is a very practical solution given the British weather, but choosing one of our framed marquees will create a very special focus to your event. With no guy ropes or centre poles they are the utmost in space management. They can be erected in a variety of

widths and lengths to meet your exact requirements.

Having an awkward shaped site, with trees, shrubs and flower beds, may not preclude a marquee and often these can be made into a real feature for your event. Once we had seen your site we can advise you as to the best way to make the most of it.

THE INTERIOR

Your marquee can be lined and trimmed. We can provide a champagne pleated liner, giving a most elegant back drop for that special event. The lighting you chose is very important, as it can set the atmosphere of the event. If you are looking for something romantic, why not choose our traditional chandeliers. If you are wanting something more contemporary then you could choose from either up-lighters, stick-lights or even rope lights. We can also decorate the outside of the tent with lights too!

FLOORING

We recommend using a timber floor with carpet over to provide a clean and comfortable setting. We can provide a full parquet timber dance floor. For a more informal look we also use coir matting .

FURNITURE, FIXTURES & FITTINGS

In addition to the marquee itself we also provide lighting, both round and rectangular banqueting tables. To seat your guests comfortably we can offer you our Bentwood Banqueting Chairs or folding plastic chairs. We have furniture to suit all tastes and budgets. We provide coat racks and coat hangers and also heaters to keep the marquee at the right temperature. As well as dance floors we can also provide stage blocks for speeches, bands and disco's.

HIRE CHARGES

All our hire charges include VAT and assembly for a minimum period of 2 days. Weekly rates are available by request. A 10% deposit together with a completed booking form would confirm your reservation.
